

**Sunday, November 4th, 2018**

4:00 PM - 7:00 PM

Waddell Mariculture Center

The Eleventh Annual

**"Taste of Waddell"**

Featuring culinary creations by:

**Hudson's Seafood House**

**South Carolina Aquarium's "Good Catch"**

(sustainable seafood program)

**Lowcountry Boil Bluegrass Band**

Captains,

The FRIENDS OF WADDELL are asking for donations for our silent auction of ½ day, inshore charter trips from our local captains. These very popular trips have been the main feature of our silent auction and offer a great way for the captains and the bidders to contribute directly to the support of Waddell's Local Cobia, Red Drum, and Sea Trout Stocking Program, and our Summer Intern Program. The normally generous tips will cover your fuel expense, and the customers often pay for an upgrade. If you can help out, let me know if you have any conditions such as number of fishermen, expiration date etc. You will also receive one free ticket to the event.

Help us collect donations for the silent auction or raffle items. These can be new fishing, hunting or boating equipment, gift certificates, services, rounds of golf, vacation packages, artwork, dinners, guided tours etc. Also let me know if you or one of your community groups would like some exhibit space or a table.

More than ever, Al Stokes, Erin Levesque and her staff need your support as the best FRIENDS that Beaufort County fishermen have.

Thanks for you consideration,

David Harter
